White elmer's glue	1 bottle	
Glue stick	1	

### Snack Donations

We would like to provide students with a simple snack each day. We are asking for **donations** *every other month* of simple, NON-PERISHABLE snack donations. We will have BOYS bring snacks in one month, then GIRLS bring snacks in the next month. Please send in snack donations in the first week of the assigned month. Suggested items include: Goldfish crackers, cereal, cheerio's, cheez-its, wheat thins, veggie straws, triscuits, granola bars, sun chips, trail mix, popcorn, pretzels, teddy grahams, graham crackers, animal crackers, snap pea crisps, Ritz crackers, etc. I will occasionally supplement with some other items. We will send a note home asking for additional donations if snacks are running low or to let families know what snacks are very popular!

We have assigned BOYS to bring the first round of snack donations in August.

Children are not required to eat school snacks. They can bring in a personal daily snack, they can eat the school snack (from the donated snacks) or they can skip a snack if they are not hungry.

### Appreciated Donations (not required)
